18/00060/REG3- Pinvin Junction (Junction between Evesham Road (A44), Station Road (A4104) and Main Street (B4082), Pinvin

County Council is applying to Worcestershire County Council for planning permission for the above proposal. The proposal includes:

- Moving the alignment of the B4082 (Main Street) approach to allow for future concurrent running of the side roads in the same stage, with opposed right turns. Single straight-ahead lanes on the A44 would be retained on the eastbound carriageway;
- The existing right turn onto the B4082 and the corresponding left turn would be facilitated by a short junction link and, therefore, these movements would be taken out of the existing signal-controlled junction;
- Optimisation of the method of signal control to provide greater junction capacity;
- The extension of the existing A44 eastbound right turn lane (towards the A4104) increasing the capacity for this movement and facilitating access to the residential properties on the south side of the A44; and
- New areas of highway, footway, controlled signals including pedestrian crossings and uncontrolled pedestrian crossings.
